CLOTHING DRIVE FUNDRAISER TO LOCALLY BENEFIT THE ARTHRITIS FOUNDATION

The Arthritis Foundation, in partnership with ReUseIt, is making it easy to de-clutter homes while making a difference locally by hosting a 2-week Clothing Drive from October 12 through October 25, 2015. The Clothing Drive will take place at the following two convenient ReUseIt Donation Stations:

- Carmichael – 6328 Fair Oaks Blvd.
- Rocklin – 4395 Rocklin Road

All donations dropped off at the Donation Stations during the 2-week period directly benefits the Arthritis Foundation. This unique fundraiser does not cost any money and it promotes responsible recycling, helps our landfills and the environment. It is a great way to give back to the local community while raising money for the Arthritis Foundation.

ReUseIt Donation Stations will accept the following donated items: usable clothing, shoes, jewelry, belts, purses, backpacks, bedding and linens, housewares, hardware, toys, sporting goods, small working appliances and some furniture.

The seven California offices of the Arthritis Foundation are working to improve the lives of more than 5 million people across our state who struggle every day with this serious health epidemic. To help reduce the unacceptable pain, disability and other burdens of arthritis and related diseases, we offer information, events, research grants, advocacy activities and other vital programs and services.

The Arthritis Foundation is the only national not-for-profit organization that supports the more than 100 types of arthritis and related conditions. Founded in 1948, with headquarters in Atlanta, the Arthritis Foundation has multiple service points located throughout the country. The Arthritis Foundation is the largest private, not-for-profit contributor to arthritis research in the world, funding more than \$380 million in research grants since 1948. The foundation helps people take control of arthritis by providing public health education; pursuing public policy and legislation; and conducting evidence-based programs to improve the quality of life for those living with arthritis.

This unique recycling fundraiser event is sponsored by ReUseIt, a registered, commercial fundraiser in the state of CA and a local business that provides support & service to nonprofit organizations in our local communities. The ReUseIt team has over 40 years of experience in the household recycling industry, and is dedicated to making a difference locally. ReUseIt offers local nonprofit organizations the opportunity to raise important funds for their cause without having to spend a dime. All donations are tax deductible.
